Total .....	1,172	774

During the week consular bills of health were issued at the port of Manila as follows:

September 6 the British steamship *Changsha*, with 73 in the crew and with 126 passengers, en route from Yokohama to Zamboanga, was granted a supplemental bill of health. The vessel was disinfected while in port on account of smallpox having occurred on board en route to Manila. The personnel were vaccinated and all precautions taken. September 9 the British steamship *Sungkiang*, with 68 in the crew and with 10 passengers, en route from Amoy to Cebu and Iloilo, was granted a supplemental bill of health. The members of the crew were bathed and the vessel was partially disinfected at the Mariveles quarantine station.
